Back to School: NEW ADVENTURES AWAIT!

Oscar Academy warmly welcomed students, parents, and staff this September as the new school year began. The academy promised exciting learning adventures, creative projects, and engaging activities designed to foster academic and social growth.

With a strong commitment to creating a positive and supportive environment, Oscar Academy aims to inspire every student to feel valued and challenged.

QATAR NATIONAL DAY CELEBRATION

Oscar Academy proudly celebrated Qatar National Day on December 6, 2024 with vibrant cultural traditional attire, and student-led activities that honored heritage, unity, and pride of the nation. A joyful day filled with learning, patriotism, and community.

OSCAR ACADEMY CELEBRATES EXCELLENCE AT ACHIEVERS' DAY

Oscar Academy proudly recognized the outstanding academic achievements of its top-performing students during the Achievers' Day.

The event honored the Top 10 students from each section, celebrating their dedication and success.

The ceremony was graced by various stakeholders who presented medals, certificates, and tokens of appreciation to the deserving students.

UCMAS WORKSHOP

Oscar Academy students had an amazing time at the UCMAS (Universal Concept Mental Arithmetic System) Workshop! A day full of learning, fun, and sharpening math skills with new techniques. Proud to see our young minds growing and exploring the world of numbers.

Achievers' Day...from page 1

Among the honorees, Malak Jihad of Year 6 shared her excitement: **"I am deeply motivated, challenged and inspired by this event. For sure, I will excel more in the future."**

Math Quiz Championship

Oscar Academy celebrated Math Quiz Bee Competition on October 12, 2024 participated by the students from years 1-6.

Congratulations to all students who got positions in Math Quiz Bee Championship Round. Oscar Academy is very proud of you all.

Red Crescent International First Aid Day

At Oscar Academy, students celebrated World First Aid Day on September 19, 2024, with hands-on learning about basic life-saving skills. Through engaging demonstration and interactive activities, they gained awareness of how quick thinking and simple actions can make a big difference in emergencies. A day that empowered young minds to be responsible and prepared.

To participate in the global awareness for Diabetes, Oscar Academy students, parents, teachers and staff participated in the **Diabetes Walk** held at Aspire Park last November 15, 2024.

The event was participated by all schools, private entities and government sectors. The event started with a Zumba dance and taekwondo exhibitions and finished with a walkathon around the park led by Qatar National Marching band.

There were booths for fun activities for kids and free check ups for adults. The event started at 2 in the afternoon and ended at 7 in the evening.

Healthy Smile : Healthy Life

Oscar Academy ensures that students keep their teeth and gums in great shape. **Free Dental Check-up** is conducted by Ocean Medical Centre, giving students an opportunity to spot early signs of dental issues and prevent cavities. The OMC team examined the students' teeth, gave helpful tips on brushing and even gave away discount vouchers once you visit their clinic.

Together, we're building brighter smiles. **A healthy smile: healthy life!**

Spelling Bee Competition Boosts Skills and Confidence at Oscar Academy

Oscar Academy recently held a Spelling Bee Competition across all year levels to encourage students to explore and enhance their spelling and vocabulary skills. The contest began with a Preliminary Round conducted inside each classroom, where students spelled words from a prepared spelling list. The excitement built up to the Final Round, which took place in the school library on November 21, 2024.

Khaled, the Year 4 champion, described the event as a valuable experience. **"It was a great experience because this competition enhanced not only my spelling and vocabulary skills but as well as my confidence,"** he said.

"The competition provided an excellent opportunity for students to challenge themselves academically while building their self-esteem," the teachers in the English Department said.

Oscar Academy's Star of the Week Program Inspires Students to Excel

Oscar Academy's Star of the Week Program motivates students to work harder and develop positive habits both academically and behaviorally. Each week, class advisers select a student who exemplifies strong performance and good conduct to receive this special recognition.

The program aims to show students that their hard work is appreciated. By rewarding efforts, it promotes a positive mindset in the classroom, encouraging students to feel proud of their achievements, which in turn promotes happiness and greater motivation.

"Through this weekly recognition, Oscar Academy continues to inspire all students to become better individuals," a parent said.

OSCAR ACADEMY WINS INTERSCHOOL STORYTELING CONTEST

Ahmad Jusic, Year 6C won during the 9th Interschool Literary Competition 2024 at Pakistan International School, Doha Qatar in November.

Said event was graced by more than 20 participating schools from all over Qatar.

Ahmad competed on the Storytelling Junior Category where he was one among the youngest competitor.

They were tasked to craft an original story which can cover 5 minutes to narrate.

"Since we weren't allowed to read our drafts while telling our stories, it was challenging. However, I just enjoyed

every moment of it and imagined that I was just telling the story in front of my coach and my parents," Ahmad said.

He was awarded **Third Place** with a certificate and a trophy.

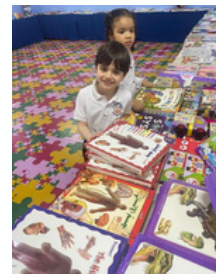

Meanwhile, Miguel Shafiq also participated in the Essay Writing Competition Junior Category.

OSCAR ACADEMY CELEBRATES LOVE FOR READING WITH EXCITING BOOK FAIR

To celebrate and strengthen the love for reading, Oscar Academy proudly hosted a Book Fair. The event featured several publishers showcasing a wide range of books across different genres and reading levels.

This initiative highlights the school's commitment to promoting reading and writing skills in both English and Arabic.

"I bought a collection of books with my mum, and I've never regretted it. The stories took me to so many different places," said Salma, one of our enthusiastic students.

ENGLISH DEPARTMENT HOLDS CHARACTER DAY AND STORYTELLING COMPETITION

The English Department of Oscar Academy held the Character Day and Storytelling Competition on November 21.

This event highlighted students' prowess in critical thinking, creativity and public speaking.

They were given ten minutes to craft an original story from a given picture.

They were required to present it with varying tones of character and feeling.

"This is fun and exciting. I get to be whoever I want," Ahmad Jusic, the year's champion in Year 6 said.

Other contestants claimed that they have uncovered their hidden skills and have taken the storytelling as a platform in bringing out their creativity with no limits.
