THE OFFICIAL PUBLICATION OF OSCAR ACADEMY

Doha, State of Qatar

Volume 11 No. 1 August-October 2025

On its second year,

MOEHE awards OA the White Flag Award

Oscar Academy was once again honored to receive the White Flag Award from the Ministry of Education and Higher Education (MOEHE) this year.

This distinguished award acknowledges the school's exemplary accomplishment of completing the 2024-2025 academic year without any violations.

Ms. Nehad, CEO, and Ms. Aseel, Principal of Oscar Academy, attributed this recognition to the collaborative efforts between the school's staff and its community partners.

"The collective dedication ensured a safe and compliant learning environment throughout the academic year," they said.

Preparing students for the global stage,

OAS hold Mini United Nations Screening

Oscar Academy conducted a Mini United Nations screening for students in Grades 3 to 6 on October 20 as part of the selection process for the upcoming MUN participants. This special event introduced young learners to the work of the United Nations and prepared them for their roles as future delegates.

During the screening, there was an impromptu speech where students picked topics related to education and technology. This engaging event challenged students to think quickly and express their ideas clearly on subjects that matter in today's world.

Oscar Academy Staff enhance skills in Safeguarding and Child Protection Seminar

The teaching and administrative staff of Oscar Academy participated in a seminar workshop titled "Safeguarding and Child Protection eLearning," facilitated by Certified Professional Development on September 13, 2025, Saturday.

The primary objective of this seminar was to equip all employees with comprehensive knowledge and awareness regarding the safeguarding and protection of student welfare. The Child Protection Officer (CPO) was also in attendance to support and oversee the eLearning seminar.

This is in support to the school's priority on safety.

MESSAGE FROM THE C.E.O.

I'm truly delighted to welcome you this School Year 2025–2026! Watching our community grow and flourish honestly fills me with pride every day.

At school, it is our joy and responsibility to help each child shine in their own wonderful way. We treat every single learner here as special and we do make sure that no one is left behind. We carefully shape them to become citizens who actively contribute to a diverse community with Islamic Identity.

We assure you that we are keen to creating a safe and joyful environment where your child feels valued and inspired to learn. Thank you for trusting us to be part of your academic journey.

As your Chief Executive Officer, I welcome you all to Oscar Academy! Let us all continue to deliver quality education that builds globally competent learners.

Nehad Abuhelal
Chief Executive Officer

MESSAGE FROM ADMINISTRATIVE HEAD

I am honored to support Oscar Academy family and ensure everything runs smoothly so your child can focus on learning and growing in a safe, happy environment.

We understand how important it is for parents to feel confident that their children are well cared for throughout the day. Please know that our team works hard behind the scenes to create a welcoming, organized, and secure space where every student can thrive. We will offer you the best safeguarding practices!

Alaa' Adam
Administrative Head

MESSAGE FROM THE PRINCIPAL

Welcome to a wonderful new, productive school year!

We are so excited to have you, our young learners back, ready to explore, play, and grow together in a warm and caring environment.

Together, we will make this year a very special one as we joyfully achieve your full potential globally with National and Islamic Values.

Aseel Sameer
Principal

Here, your safety is our top priority. We have many caring teachers and staff who are here to support and make sure you feel safe, respected, and valued every day.

Parents, please know that we are committed to keeping our school a secure place for better learning. From my heart, thank you so much for trusting us with your child's education.

MESSAGE FROM VICE PRINCIPAL

I'm so happy to see our school filled with eager learners and smiling faces. This year, I'm here to cheer you on, support you, and make sure everyone feels safe and cared for every single day.

Remember, school is not just about lessons—it's about friendships, kindness, and discovering new things about yourself and the world.

Let's make this a year full of laughter, learning, and wonderful memories together! Keep pushing; you can do it!

Ma. Cecelia Espina
Vice Principal

MESSAGE FROM THE SOCIAL WORKER

I'm so glad you're here. On behalf of the social workers and building supervisors, my door is always open to listen, help, and support you through any challenges or questions you might have.

Remember, Oscar Academy is a place to feel safe, to be yourself, and to grow not just in knowledge but as a kind and confident person. So, fear not and reach for your dreams.

I truly look forward to walking alongside you all this year, helping make sure it's a happy, healthy, and fun journey. Aja!

Collaborative effort at Oscar Academy updates Mission, Vision, and SLOs

Oscar Academy held a collaborative event bringing together parents, teachers, staff, and community partners to review and update the school's Mission, Vision, and Student Learning Outcomes (SLOs). This important process was informed by a thorough analysis of internal and external exam results, as well as feedback gathered through surveys and targeted questions. By involving all stakeholders, the school ensured that the updated statements truly reflect the collective aspirations and needs of the entire school community.

Throughout the event, participants worked together to polish the mission, vision, and SLOs, aligning them with current educational priorities and student success goals.

Oscar Academy welcomes students, parents, and staff to an exciting new School Year

“Here's to a fresh start full of learning, laughter, and growth!”

Oscar Academy warmly welcomed students, parents, and staff this August as the new school year got underway. The school is excited to offer fun learning experiences, creative projects, and activities that support both academic and social growth.

With a focus on creating a positive and supportive environment, Oscar Academy aims to inspire every student to feel valued and motivated to take on new challenges.

Oscar Builds Readers and Leaders

"The facilities, like the library and sports fields, are great for learning and having fun."
- Abrar Ali, 6A

"My school feels like a second home where everyone is supportive and friendly."
- Noora Ahmad, 6A

"There are so many fun clubs and activities that make school exciting."
- Aisha Adel, 6A

Star of the Week Program

Star of the Week Program encourages all students to strive harder. Giving students rewards is a wonderful way to recognise and celebrate students' efforts and achievements. This is a positive mindset to have in the classroom and can persuade students to feel better. This promotes feelings of pride, which goes hand-in-hand with happiness.

Every week, Oscar Academy conducts Star of the Week in all levels. The class adviser has the responsibility of selecting a student who will receive the award academically and behaviorally. In addition, Class Dojo Masters, Best Readers and Math Wizards were also awarded.

All students are motivated to work hard and be a better individual. **"I tried my best in class and I didn't expect it, but it made me proud of myself."** said Ehsan, 5C.

OSCAR ACADEMY STRENGTHENS PARTNERSHIPS at Parents and Teachers Meeting

Oscar Academy held its regular Parents and Teachers Meeting in September, focusing on supporting students' academic progress and encouraging positive behavior for better learning. The event gave teachers, parents, and staff a great chance to connect and work together toward the school's goals.

Principal Ms. Aseel highlighted the value of these meetings, saying, **"Regular chats with parents help us build stronger partnerships and a closer community."**

OSCAR ACADEMY REWARDS GOOD BEHAVIOUR

Oscar Academy proudly celebrated students who exemplified outstanding conduct by presenting them with the Good Behaviour Award.

These awards honor students who consistently demonstrate respect, kindness, and responsibility both in and out of the classroom.

OSCAR ACADEMY BOOSTS SAFETY WITH First Aid Seminar

As part of the school's ongoing efforts to strengthen its Child Protection and Safety Policy, teachers and staff at Oscar Academy took part in an important First Aid Seminar led by Red Cross in August.

The seminar covered key skills like CPR, managing nosebleeds, treating fractures and sprains, and caring for wounds and injuries. These practical skills help keep all students safe and cared for while at school.

Administrative Head Ms. Ala'a highlighted that this training shows the school's commitment to improving child protection and health and safety standards.

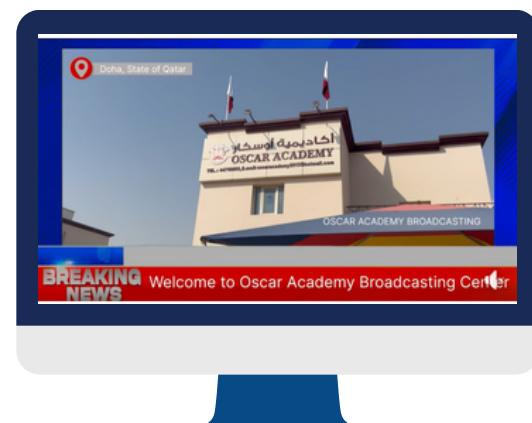

Let your speech be
better than silence, or
be silent.

OSCAR ACADEMY LAUNCHES STUDENT-LED School Broadcast

To share weekly learning highlights, Oscar Academy has started an exciting new school broadcast where students take on the role of reporters. Through this program, student reporters explore how well their peers understand the school's mission, vision, and learning outcomes by covering a variety of activities happening around campus.

By interviewing classmates and teachers, the student reporters showcase how different events and projects help everyone grow academically and personally. This broadcast not only highlights student voices but also strengthens the school community's connection to its goals and values.

Palestine Day hosted

Oscar Academy unitedly gathered and celebrated Palestine Day during the morning assembly to show support for Palestinian people on October 12, 2025.

The assembly began with a Qur'an and singing of the national anthem. As part of the activity some students from year 5 conduct a short question and answer about Palestinian history, culture and tradition.

“Palestine Day” is not just about celebration- It's about education and empathy, a Year 5 student said.

Fire Drill

All students from Year 1 to Year 6 participated in a Fire Drill organized by the School Safety Team, promoting awareness and preparedness for emergency situations on September 9, 2025.

OSCAR ACADEMY SHINES FOR PINK DAY

Oscar Academy recently celebrated Pink Day to support Breast Cancer Awareness, turning the school into a lively and colorful place filled with exciting activities on October 23, 2025.

Students and staff came together wearing pink to show their support and spread an important message.

Throughout the day, everyone enjoyed a variety of creative activities. Students made beautiful posters with powerful messages, colored pink-themed artwork, and crafted unique decorations to display around the school. The halls buzzed with energy as classes prepared for a cheerful parade, proudly showing off their creations.

Pink Day was not only fun but also helped students learn about breast cancer and the importance of early detection and support for those affected.

To celebrate literacy, Spelling Bee held

The Spelling Bee Competition 2025 was successfully conducted on September 28, 2025, at the School Library. The event aimed to enhance students' vocabulary, spelling accuracy, and confidence in public speaking. It also sought to promote healthy competition and show a love for the English language among learners.

Participants from Grades 1 to 6 took part in the competition. Each contestant showcased their spelling skills by correctly spelling words of varying levels of difficulty.

The competition was divided into three rounds: the elimination round, the semi-final round, and the championship round.

Oscar Academy Teaches *Bus Safety Rules*

Oscar Academy recently held a special session with the General Directorate of Traffic to educate students about essential bus safety rules. The goal was to help students understand how to stay safe while riding the school bus every day.

During the session, students learned key safety tips such as waiting calmly, staying seated while the bus is moving, using seat belts if available, and following the bus driver's instructions at all times. They were also reminded to never distract the driver.

Staff members emphasized that practicing good bus behavior not only protects students but also shows respect for others.

OSCAR ACADEMY HOLDS *Student Council Election*

Oscar Academy recently held its Student Council election, giving students the chance to cast their votes right in their own classrooms. The election was organized and overseen by the school admin to ensure a fair and smooth process.

Students learned about the candidates and their plans before voting, making thoughtful choices to select their representatives. Voting took place per room, allowing everyone to participate easily and safely.

The Election committee managed the ballots and counted votes carefully, helping to maintain order and fairness throughout the election.

This event highlights Oscar Academy's commitment to encouraging student leadership and giving every voice a chance to be heard.

STUDENT COUNCIL OFFICERS SHARE SCHOOL *Mission, Vision, and Priorities*

As part of their commitment to keeping every student informed and involved, the newly elected Student Council officers recently went room to room to discuss the school's mission, vision, and priorities with their fellow students.

The officers emphasized their role in helping bring the vision to life by promoting inclusive activities and open communication among students.

"This face-to-face approach helps us connect directly with students and make sure they understand what our school stands for," said one officer.

"We want everyone to feel part of our community and know that their voices matter," an officer said.

In addition, the SC Officers also had a meeting with the principal to discuss relevant issues and to gain insights on good governance.

We are Student-centered!

Recycling Activity

On October 10 and October 16, 2025, Oscar Academy conducted the Recycling Activity as part of the school's environmental awareness program.

The activity aimed to promote recycling and environmental responsibility among students. It also encouraged learners to practice the 3Rs—Reduce, Reuse, and Recycle—in their daily lives.

Before the event, students were given a short orientation about the importance of recycling and conserve natural resources.

During the activity, students brought recyclable materials such as plastic bottles and old papers. These materials were creatively reused to make useful and decorative items like plant pots.

Oscar Academy celebrates its International Day of Peace last September 25, 2025.

Poster making, impromptu speech and card making activities were done in classes. The activity was participated by Years 1 to 6 students.

Healthy Lunch Box

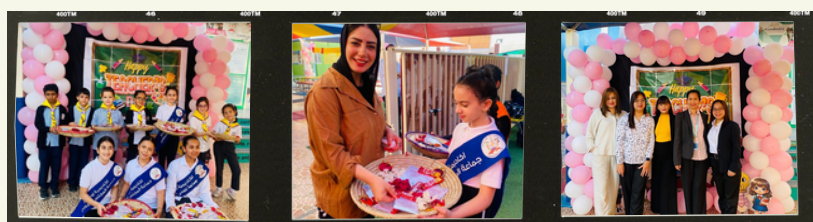

Year 1 students enjoyed the "Healthy Lunch Box" activity led by our school nurse, Ms. Azza, as they learned the importance of making healthy and balanced food choices on September 7, 2025.

World Teachers' Day celebrated

Teachers' Day was celebrated during the morning assembly to honor the dedication and hard work of its teachers.

The assembly began with a short opening message highlighting the importance of teachers in shaping young minds. Students from 6C shared inspiring words, poems, and reflections that celebrated the passion and commitment of their teachers.

To make the occasion even more special, the Student Council presented a simple token of appreciation and chocolate to all teachers as a gesture of love and thanks for their unwavering support and guidance.

Celebrating Our Stars: Employees of the Month at Oscar Academy

Our Employees of the Month is honored for exceptional dedication and enthusiasm in supporting student learning and creating a positive classroom environment.

The Team Leaders of the Month is celebrated for demonstrating strong leadership, showing teamwork, and guiding staff to enhance school operations and student success.

The Administrators of the Month is acknowledged for their essential role in maintaining smooth school administration and providing invaluable support behind the scenes.

The Teacher and the Assistant Teachers of the month is recognized for their commitment in delivering quality education and firming up the SLOs on and behind the scene.

Enhancing Literacy across subjects through Continuous Professional Development

Teachers at Oscar Academy attended a professional development session entitled Literacy Across Subjects in September.

This training aims to equip educators with subject-specific strategies to embed reading, writing, and critical thinking into all areas of the curriculum. By strengthening teachers' capacity to incorporate literacy in all subjects, the session supports deeper student understanding and academic success.

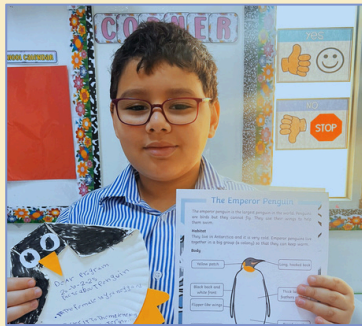

Safety Team Initiative: Students Taking Active Roles

To develop leadership, formation of a new Safety Team composed of selected students from various grade levels was held at Oscar Academy in September. This team is tasked with promoting and supporting safety practices throughout the school.

Student members assist with monitoring hallways, encouraging safe behavior among peers during class hours or breaktime, and helping manage traffic flow during arrival and dismissal times. They also participate in sharing safety reminders during school events and classroom activities.

This initiative empowers students to take responsibility for their school community's well-being and create a culture of safety and cooperation.

To engage all learners and cater to individual learning styles and need, teachers use a variety of teaching strategies. From hands-on activities and collaboration to technology integration and visual aids, diverse approaches continue to help the lessons more interactive and accessible.

This flexible approach creates a dynamic classroom where every student has the chance to succeed and feel confident in their learning journey.

Social Workers reinforce Behavior Policy with students

The school's social workers, Ms. Rasha and Ms. Amira recently conducted classroom sessions with students to discuss and review the behavior policy, highlighting the importance and strict application. These discussions aim to promote a positive and safe learning environment for all.

To improve monitoring, an Incident Report Booklet has been placed in every classroom. This booklet allows for prompt documentation of incidents, enabling staff to respond quickly and maintain a fair and effective behavior management system.

Oscar Academy Encourages Kindness through Anti-Bullying activities

Oscar Academy recently held a series of anti-bullying activities to promote kindness and respect among students. These included creating posters and slogans with positive messages, participating in role plays to practice handling bullying situations, and writing reflections about the importance of empathy and standing up against bullying.

"Remember you are not alone .Stand up for yourself."

— Miya, Year 4

Buddy Reading brings big smiles and big learning!

At Oscar Academy, special buddy reading activity takes place , pairing older students from Years 4 to 6 with younger students in Years 1 to 3.

This program encourages students to enjoy stories together while improving their reading skills.

During these sessions, the older students read aloud and support their younger buddies in sounding out challenging words. After reading, the pairs discuss the story and complete simple comprehension questions on a worksheet designed to strengthen understanding.

Students from Years 5-6 hold interview sessions with the SMT, other admin and teachers to boost literacy.

Oscar Academy makes breaktime fun and educational

Oscar Academy offers a variety of engaging breaktime activities that keep students active and learning throughout the day. During breaks, students enjoy participating in quiz bees, vocabulary building, and writing exercises that boost their skills in English, Math, Science, and Arabic.

Beyond academics, students also take part in creative and physical activities like art projects and football games.

Dental Camp Hosted

Oscar Academy hosted a Dental Camp in collaboration with the Ocean Medical Centre last October 5 to 9. The camp was organized to promote good oral health and hygiene among all students.

Throughout the week, students from all grade levels received free dental check-ups and valuable advice on proper brushing, healthy eating, and overall dental care.

UNSENT LETTER

To you,

Mental Health is important. It can either build or break you. So, in the route towards our dreams, let us all be resilient and think that whatever we are dealing with are just temporary-the stressors, the pressures. Let us focus on the goal and keep a steady heart.

If you are suffering now, seek help. And if you are the one's listening, just give a sturdy for a while. Never judge. Never invalidate.

MY THOUGHTS ABOUT RECYCLING

- Sanaa Ashraf, Year 5

The world is crying for help! It needs us to do something. And that is now.

Recycling is one way of bring back the world's glory. We can turn our trash to gold, our plastics to marvelous ornaments and carve creativity from shattered glasses.

Why waste when we can help!

THE BEGINNING

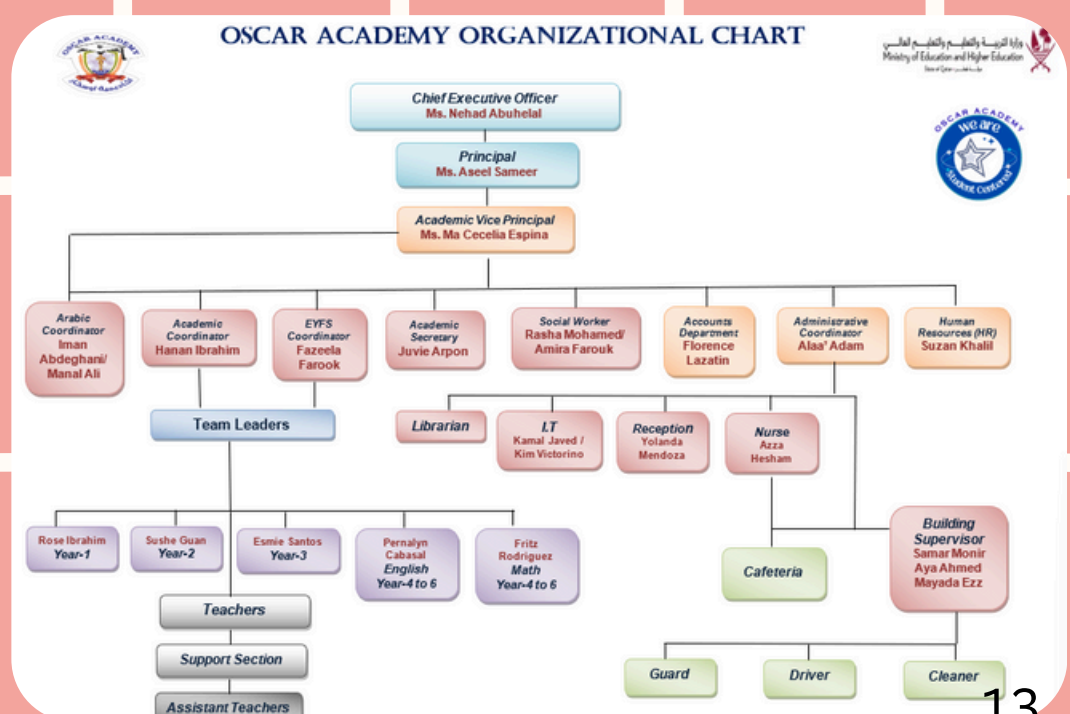

a Short Story by Aisha Adel, 6A

It was a bright Saturday when Arkam passed by a busy alley. He was humming happily unaware of the fading movement around. Until...

"Growwwwwwwlllllll!" a strange, eerie sound captured every inch of the place. And an enormous creature popped out from nowhere! On his peripheral vision, he saw the once bluish place turning gloomy and black by the second.

His sound of help never escaped him.
